WORK EXPERIENCE

Huawei [Ambassador]

April 2023–Current

My role as an ambassador for the Huawei ICT Academy at Salale University, I was tasked with promoting the academy and its programs to students and faculty. This included raising awareness about the academy's courses and offering guidance and support to students interested in ICT education and careers.

Amhara Bank Head Quarter - [Internship]

July 2023 – Sep 2023

During my internship, I was able to work in the information system infrastructure (IS) by handling basic assignments on network configuration and server configurations. It gave me Proficient in teamwork and adaptable to new challenges, with a keen interest in computer maintenance, eager to apply knowledge and skills to real-world scenarios.

Subject: Letter of Recommendation

I am writing to recommend **Nathnael Wondwosen**, whom I have known as a student in the Computer Science department for four years. Throughout this time, I have been consistently impressed by his talent for identifying problems and generating creative solutions. In my "Wireless Communication and Mobile Computing" course, he actively participated in class discussions.

Nathnael Wondwosen, also demonstrated strong teamwork skills during his participation in the "**Huawei Technology Academy Seeds for the Future**" program. He effectively collaborated with his team to accomplishment the training successfully. I believe that his excellence, strong scholastic ability and hardworking personality would make him absolutely fit to accomplish any task related to his field of study.

Therefore, I wholeheartedly recommend him for any opportunity related to the field of computer science and wish him the very best in his future endeavours.

Sincerely yours,
